Docket No. 98N-1265
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: To Whom It May Concern: I have been supplied by Madison Pharmacy for (2) two years. Prior to my physicians working with this pharmacy I had continuous trouble with hormone therapy. They have provided exactly what my body required to function without unpleasant side effects. Please do not take away my provider
